

**Neighborhood watch apps like Nextdoor
and Citizen are far from neighborly,
providing volunteer labor to police in
expanding their surveillance capabilities.**

STOP
SURVEILLANCE TECHNOLOGY
OVERSIGHT PROJECT

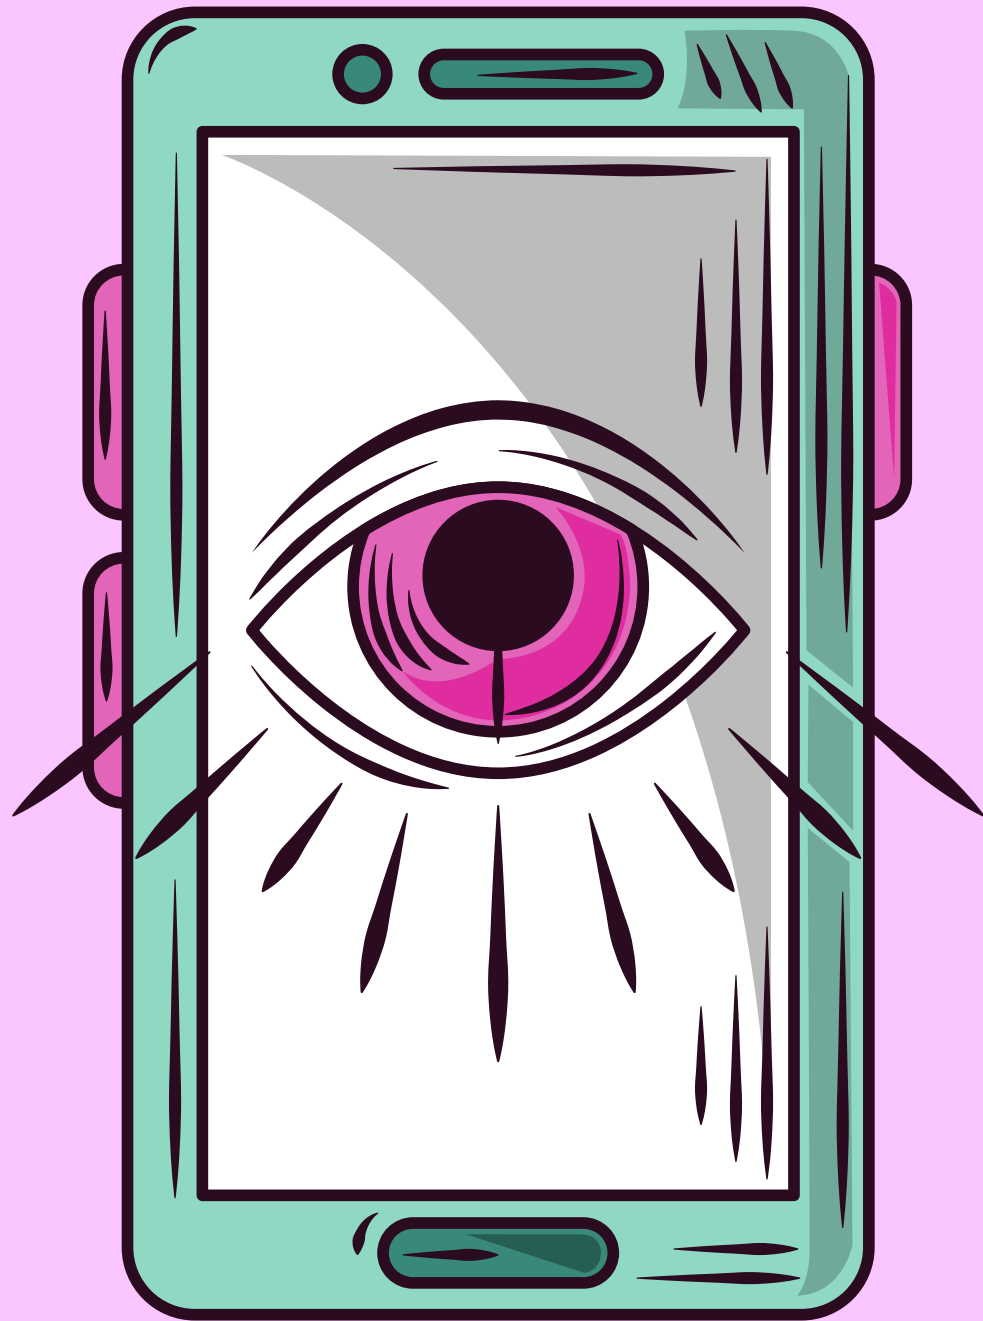

Profiling and stereotyping are a feature, not a bug, for neighborhood surveillance apps.

We can't let these broken, biased tools become the norm.

STOP
SURVEILLANCE TECHNOLOGY
OVERSIGHT PROJECT

Neighborhood surveillance apps erode our sense of safety and social trust, promoting racial profiling, vigilantism, and neighbor-on-neighbor spying.
